3 Setting Values, Goals and Objectives	2
3.1 Road safety values	
3.2 Goals of road safety master plans	
3.3 Objectives of road safety master plans	
4 Community involvement	7
4.1 Purpose of stakeholder involvement	
4.2 Consultation with stakeholder groups	
4.3 Knowledge transfer to stakeholders	
4.4 Community perceptions	
4.5 Participation in project identification	
4.6 Participation in project implementation	
5 Data requirements and collection	2
5.1 Overview of data requirements	2
5.2 Accident statistics	
5.3 Road network data	
5.4 Traffic and other data	
6 Road safety inspections	3
6.1 Purpose of road safety inspections	
6.2 Who to involve of road safety inspections	
6.3 When road safety inspections should be undertaken	
6.4 Methodology for road safety inspection	
6.5 Data to be collected during road safety inspections	
7 Identification of safety improvement projects	2
7.1 Defining road safety improvement	
7.2 Methodology for the identification of safety improvement projects	
8 Economic appraisal and ranking of safety improvement projects	4
8.1 Purpose of economic appraisal and prioritisation	
8.2 Basic principles of economic appraisal	
8.3 Accident prediction models and modification factors	
8.4 Ranking of safety improvement projects	

	8.5	Budget for safety improvement projects	
9		Implementation of safety improvement projects	2
	9.1	Implementation of road safety improvement projects	
	9.2	Monitoring	
10		Monitoring and review	1
	10.1	Measures of effectiveness	1
	10.2	Monitoring and review of safety improvements	
10		Road safety improvement treatments	6
	10.1	Methods for improving road safety	2
	10.2	Human factors and road safety improvement	
	10.3	Typical road safety improvement treatments	
		10.3.1 Pedestrians	
		10.3.2 Public transport	
		10.3.3 Traffic calming	
		10.3.4 Road access management	
	10.4	Road maintenance	
11		Education and awareness	6
	11.1	Educational programmes	
	11.2	Awareness programmes	
	11.3	Involvement of Law Enforcement in education and awareness programmes	
12		Law Enforcement Plans	6
	12.1	Law enforcement operational plans	
	12.2	Focussed law enforcement
