

## **HILTON DEREK VORSTER**

**EMPLOYER:** CITY OF TSHWANE METROPOLITAN MUNICIPALITY, SOUTH AFRICA

**POSITION:** BUS RAPID TRANSIT (BRT) PROJECT LEADER ROADS AND STORMWATER DIVISION, PUBLIC WORKS AND INFRASTRUCTURE DEVELOPMENT DEPARTMENT

**QUALIFICATIONS:** HONORS DEGREE: TRANSPORTATION ENGINEERING, UNIVERSITY OF PRETORIA, SOUTH AFRICA; PROFESSIONAL ENGINEER

Mr. Hilton Vorster is currently employed by the City of Tshwane Metropolitan Municipality, as Project Leader for the Bus Rapid Transit project in the city. The project entails the planning, construction and operation of the first phase of the BRT system, which totals 68 kilometers in length and involves 52 stations, three terminals and three depots. Previously (until December 2008) He was the Director: Traffic Engineering and Operations. My responsibilities included traffic engineering and safety, traffic calming, project management and operation of the traffic signal system and congestion management. He has been in the traffic engineering field since 1988. He has initiated many traffic calming projects, road safety audits, accident analysis, traffic flow improvements, safety master plans and community participation sessions. He has been extensively involved in road safety projects and the promotion of road safety at various international conferences.
